**SITE ASSESSMENT SECTION**

Dear Mr. Altur:

I am requesting that Zinco, Incorporated (ILD 022254080) on CERCLIS be assigned a Site Evaluation Accomplished status. This request is based upon the fact that the site intended to be placed on CERCLIS during the original discovery was the Matthiessen and Hegeler Zinc Co., which contains approximately 160 acres and includes the land on which Zinco (also called La Salle Rolling Mills) is located. The Zinco site is a part of the La Salle Rolling Mills operation and the two will be evaluated together as one site at a later date.

A CERCLIS Information Form (SIF) for the Matthiessen and Hegeler Zinc Co. site has been completed with a corrected address that encompasses the whole property.

The Mathiessen and Hegeler site contains areas of land in sections 10, 11, 14 and 15 in Township 33 North, Range One East of the Third Principal Meridian in La Salle, La Salle County, Illinois.

If you have any questions concerning the site please call me at 217-524-1661.

Sincerely,

Robert Casper
